Intermediate, Narayana School, Gurgaon, Haryana
Branch: Science, Board: CBSE
Matriculation, Air Force School, Gurgaon, Haryana
Board: CBSE

Skills

Languages: HTML, CSS, JavaScript, Tailwind CSS, TypeScript, React.js, Python, Java
Soft Skills: Teamwork, Problem-solving, Adaptability, Creativity

Projects

CVify – Modern CV Builder
A web application for creating professional CVs with real-time preview and PDF export.

- Implements a responsive dashboard for managing multiple CVs with full CRUD operations.

- Developed using React and TypeScript with modular component architecture.

- Real-time PDF preview and export using @react-pdf/renderer and jspdf libraries.

- Features a step-by-step form wizard with live preview and custom form validation.

- Integrated dark mode and responsive design with Tailwind CSS for optimal user experience.

- Utilizes local storage for data persistence and resume management.

- Professional templates and custom styling for high-quality PDF output.

Live Demo: LINK

Typing Practice Game
A React-based typing game where words fall from the top, and the player must type them before they hit the bottom.

- Implements dynamic difficulty levels that increase word speed and spawn rate over time.

- Developed using TypeScript and React, with state management handled by useState and useEffect hooks.

- Styled with Tailwind CSS for a modern and responsive UI.

- Deployed on Netlify for seamless accessibility.

- AI tools were utilized to fine-tune difficulty progression and optimize UI animations.

Live Demo: LINK

Extra-Curricular Activities

- Participated in Nukkad Natak (Street show) for Abhivyakti - The Drama Society.

- Organized and led multiple theatrical productions, fostering creativity and teamwork.

- Managed logistics, scriptwriting, and actor coordination for university-wide performances.

- Conducted workshops to mentor and train junior members in stage performance and public speaking.

Leadership

Joint Secretary, Abhivyakti - The Drama Society

- Spearheaded large-scale theatrical productions, ensuring smooth operations and artistic excellence.

- Led strategic planning and managed event logistics to enhance society's impact.

- Collaborated with university officials to expand the society's reach and influence.

- Secured sponsorships and enhanced audience engagement for greater outreach.

- Mentored junior members, fostering leadership, teamwork, and stage performance skills.

NSS Volunteer

- Led and participated in various social welfare initiatives under the National Service Scheme (NSS).

- Organized awareness drives, cleanliness campaigns, and educational workshops.

- Actively contributed to community service projects benefiting underprivileged children.

- Promoted civic responsibility and social impact through hands-on engagement.
